How to get Coaches added to Video on Glory League (via SportsTG registration)

Your coach needs to sign up for you club through your normal player registration form – but must check they are registering as a “Coach”, “Manager” or “Official” (Miscellaneous or Volunteer may also work, but has not been tested). A person can select more than one role when registering.

Choose Type **2. Basic Info** 3. Extra Info 4. Summary

The “Official” member type is for club members who anticipate refereeing for their club and/or in CBA competitions.

Legal first name : [Redacted] *

Family name : [Redacted] *

Date of Birth : [Redacted] / [Redacted] / [Redacted] *

Gender : [Redacted] *

Registering As :

- Player
- Coach
- Manager
- Official

* Please choose at least one member type

Once done, the Club Administrator (who has a passport account) logs in via passport.sportstg.com, just as they would to assign players to a team. Make sure you are at the team level (and in the correct team), then use the “Team Staff” option which is under “Members”

Save

From there, just select the people you want to receive Glory League videos and save. Up to seven people will get access this way – all of the Coaches or Staff that you fill in will receive the video link. If your club wants an administrator account added to each team as well, this is the method to use.
