

IF YOU OR SOMEONE IN YOUR HOUSEHOLD IS SICK OR HAS ANY SYMPTOMS OF THE COLD (COUGH, SORE THROAT OR A RUNNY NOSE), PLEASE STAY AT HOME AND SAVE LIVES.

Contact Tracing	
A requirement for all public gatherings is to have a robust contact tracing system in place should an outbreak occur	<ul style="list-style-type: none">• All Team Members register to CBA Database via https://canterbury.basketball/register/ - this will form the basis of close contact-tracing should it be needed• If a venue operator requires another contact tracing method to be used (e.g. QR Codes being scanned) this will be done in addition to the procedure we have listed above (to ensure team members are entered in a timely and organised manner)• The NZ Covid Tracer App is expected to be able to be used at all of the venues we utilise for people to keep track of where they have been
Hygiene Procedures	
To minimise the chance of any infection occurring, these procedures will be followed	<ul style="list-style-type: none">• CBA Hand Sanitising Stations: on score-bench table; with Floor Controller• Teams encouraged to bring their own basketballs to warm up with• At end of each game, Floor Controller will disinfect match-ball according to advice from molten (wipe with a well squeezed rag that has been soaked in disinfectant) and leave aside for one round of games for this to evaporate• Gloves to be worn by Floor Controllers when doing any cleaning or disinfecting• Mouthguards: We are sticking to Basketball New Zealand and ACC guidelines• When teams come in from TO, QT, HT and mouthguards have been removed then they should sanitise their hands before returning to the court
Advice for our Community	
Signage and advice readily available for players	<ul style="list-style-type: none">• For team members to know where sanitiser and facilities to wash hands are• Teams and Individuals advised to bring their own personal sanitiser• Encouraging people to fill and bring their own drink bottles, and avoid using public fountains• Education on avoiding unnecessary touching of a mouthguard• Teams/players are encouraged to bring their own basketballs to warm up with• During COVID Alert Level One, the CBA expects that teams will desire to show their appreciation for their opponents by shaking hands. If your team does not wish to do this, please discuss with the opposing coach before the game tips off
