

IF YOU OR SOMEONE IN YOUR HOUSEHOLD IS SICK OR HAS ANY SYMPTOMS OF THE COLD (COUGH, SORE THROAT OR A RUNNY NOSE), PLEASE STAY AT HOME AND SAVE LIVES.

Contact Tracing	
<p>A requirement for all public gatherings is to have a robust contact tracing system in place should an outbreak occur</p>	<ul style="list-style-type: none"> • All Team Members register to CBA Database via https://canterbury.basketball/register/ • Weekly Draw will have contact phone number for CBA Door Staff at each venue listed • Lists are pre-printed for Team Contact to collect from venue. This person contacts CBA Door Staff to collect list • Team Contact alters list for specific day to include all of the members in their party that will be at the game (deleting those who are not there on the day, adding in details for those not pre-printed on list) • CBA Door staff advise contact when his/her team may enter via designated entry point, and collects completed list at this point • A restriction on the maximum number of people able to enter with a team may need to implemented • After games, venue is emptied of everyone except staff for next round of games, so next group of teams may enter, following same procedure • Where possible, separate entrance and exit locations will be used • If a venue operator requires another contact tracing method to be used (e.g. QR Codes being scanned) this will be done in addition to the procedure we have listed above (to ensure team members are entered in a timely and organised manner)
Hygiene Procedures	
<p>To minimise the chance of any infection occurring, these procedures will be followed</p>	<ul style="list-style-type: none"> • Hand Sanitising Stations: at venue entrance; on score-bench table; with Floor Controller • Teams encouraged to bring their own basketballs to warm up with • At end of each game, Floor Controller will disinfect match-ball according to advice from molten (wipe with a well squeezed rag that has been soaked in disinfectant) and leave aside for one round of games for this to evaporate • Floor Controller to wipe down all score bench equipment, and iPads (if at venue) before any game starts • Gloves to be worn by Floor Controllers when doing any cleaning or disinfecting • Mouthguards: Referees are going to be more aware of mouthguards going in and out. We are sticking to Basketball New Zealand and ACC guidelines. If mouthguards get removed from the mouth, referees have the authority to substitute the player out to sanitise or stop the game to do so • When teams come in from TO, QT, HT and mouthguards have been removed then they must sanitise their hands before returning to the court
Advice for our Community	
<p>Signage and advice readily available for players</p>	<ul style="list-style-type: none"> • For team members to know where sanitiser and facilities to wash hands are • Entry and Exit points labelled accordingly • Teams and Individuals advised to bring their own personal sanitiser • Encouraging people to fill and bring their own drink bottles, and avoid using public fountains • Education on avoiding unnecessary touching of a mouthguard • Locker Rooms not to be used to help with speed of exit/entry • Referees to reduce amount of times a whistle comes out of mouth • Teams/players are encouraged to bring their own basketballs to warm up with • During COVID Alert Level Two, the CBA requests that teams refrain from engaging in unnecessary physical contact, so post-match handshakes are discouraged

Potential Entry and Exit Points for Venues (If multiple doors, signage will establish what door to use).		
Venue	Entry	Exits
Ara	Normal gymnasium entry doors	Any of the emergency exit doors that lead directly outside from the court
Celebration Lions Stadium	Northwest Door closest to Dolamore Place (between court one and two)	Exit doors to the side of each court (at far end from entrance door)
Cowles Stadium	Main entrance next (where CCC office is located)	Exit at end of court one next to locker-rooms
Kaipoi High School	Normal Door (Northern end of gymnasium, closest to Carpark)	Southern end of the gymnasium – opposite end from entrance
Middleton Grange New Gym	Main entrance door and foyer	Use any of the exit doors that lead directly to the carpark from the gymnasium (opposite grandstand seating)
Middleton Grange Old Gym	Main entrance door and foyer, not via door closest to changing rooms	Exit via any of the doors that lead directly outside from the court (at far end from entrance)
Ōrua Paeroa (Avonside/Shirley) Main Gym	Via Avonside Gymnasium Foyer (northeast side of the building)	Exits that go directly outside at southern end of courts (opposite end of the court from entrance)
Ōrua Paeroa (Avonside/Shirley) Shared Gym (with rock-climbing wall)	Via Shirley Gymnasium Foyer (northwest side of the building)	Any of the exits leading directly outside on Northern Wall (so as to reduce congestion by either foyer for entering).
YMCA Bishopdale	Single door on southwest corner of the YMCA building (far end of court one from the YMCA reception). Teams can line up on path away from the access road	Exit doors that lead out to Bishopdale Park, next to Court Two
