Scorebench Duty – Teams will need to provide four people for scorebench duty either immediately before, or immediately after their games.

Venue – MainPower Stadium (289 Coldstream Road, Rangiora 7473)

Uniforms – Team A will be named first and is to wear white in the event of a uniform clash, Team B is to wear their dark uniform. If there is going to be a uniform clash, the team not able to fulfil their responsibility should contact the opposing team to see if they can wear an alternate colour.

Player Registration – Use your Association “club” in the BBNZ Tournaments GameDay database. All of your players need to self-register via the registration form for this. **Get them to do this now, if they have not already done so!**

Teams have now all been created, and you just need to allocate the players (after they have registered) into each team (exactly the same process as for BBNZ Nationals). Make sure to select the team that is in the “2023 Mainland Qualifying Tournament” if you have already created/entered your teams into the National Tournaments, and fill those ones with players (it should also update the roster for the national tournaments too):
